## Art and Culture Transform **Communities**

The Prescott Performing Arts Center is a 569 seat traditional proscenium-style performing arts center, built in 2016 by the Prescott Area School District as part of the new Prescott High School. The Prescott PAC hosts all school music and drama functions throughout the year, as well as numerous community events and outside rentals. The space features state-of-the-art lighting, dressing rooms, box office, gallery space and lobby – all in a beautiful space with near-perfect acoustics and sight-lines.
